

## Préparation du jeu

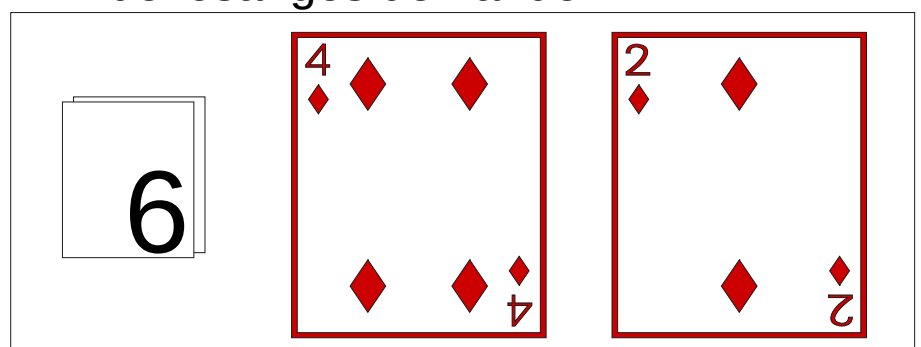

The image shows a preparation stage for a game. At the top, there are ten diamond cards numbered 1 through 10, arranged in two rows of five. Each card is outlined in red. Below these cards is a deck of six cards, with the number '6' visible on the top card. To the right of the deck, the text reads 'cartes chiffres mélangées en tas'. In the bottom right corner, the word 'Confluence' is written.

PS : Prendre la première carte chiffre  
et trouver la carte à jouer  
qui contient le même chiffre  
Compter le nombre de losanges.

The image shows a deck of six cards with the number '6' on the top card. To the right of the deck is a single diamond card with the number '6' and six red diamonds arranged in two columns of three.

MS : Prendre la première carte chiffre  
et trouver deux cartes  
qui permettent d'obtenir le nombre  
de losanges demandé.

The image shows a deck of six cards with the number '6' on the top card. To the right of the deck are two diamond cards: a 4 of diamonds (with four red diamonds) and a 2 of diamonds (with two red diamonds).
